

Chloé WASP

Born in Vitry-sur-Seine in 1990, Chloé Wasp lives and works between Paris and Arles.

After two bachelor's degrees in psychology and fine arts, she entered the National Superior School of Photography in Arles in 2016, from which she graduated in 2019.

Her photographic work mixes with texts and video installations. The whole of her approach revolves around encounters and sensitive experiences. Her work focuses mainly on unconscious phenomena and the relationship between humans and animals.
