Flora VALA

Flora Vala was born in 1989 in Compiègne. She trained in graphic design at the School of Art and Design in Amiens and in photography at the Centro de la Imagen in Mexico and at the ENSP in Arles, from which she graduated in 2019. A wandering photographer, she explores the notion of communities, nomadic life paths and rituals. Her projects are the result of encounters. She wants to tell stories through images and seeks to get closer to magical realism.
